

Global Alumina Announces Joint Venture Budget Approval

TORONTO, ON – September 1, 2011 – Global Alumina Corporation (TSX: GLA.U) (the "Company" or "Global Alumina"), a corporation participating in a joint venture to develop an alumina refinery, mine and associated infrastructure in the bauxite-rich region of the Republic of Guinea (the "Project"), announced today that the joint venture board of directors approved additional Project funding of \$4.4 million for the period September 1, 2011 through September 30, 2011. Global Alumina will be responsible for its one-third share of this amount. The joint venture board had previously approved cumulative Project funding from inception through August 2011 of \$764.3 million of which \$751.8 million was incurred or prepaid through July 2011 and \$747.9 million has been funded to date.

Global Alumina has approximately \$29.2 million in cash, \$22.1 million of which is in escrow available for Project development and \$7.1 million of which is unrestricted and available for general corporate purposes. The Company also has a \$33.3 million subscription receivable due to the Company on the completion of the Project debt financing.

About Global Alumina

Global Alumina is in a joint venture through its wholly owned subsidiary, Global Alumina International, Ltd., with BHP Billiton, Dubai Aluminium Company Limited and Mubadala Development Company PJSC, to develop a 3.6 million metric tons per annum steady state capacity alumina refinery in the bauxite-rich region of the Republic of Guinea. Global Alumina has offices in New York, London and Montreal. The Company's registered office is in St. John, New Brunswick.
